Green Awards

A Program to Recognize
College Park's Environmental
Leaders

Each April—close to Earth Day, the City of College Park Committee for a Better Environment (CBE) recognizes special efforts made by the local community to protect the environment.

In addition to commending those who have contributed in some way to a healthier environment, CBE hopes to:

- Increase environmental awareness
- Encourage wider appreciation and adoption of environmentally sound practices.

Who's Eligible?

Anyone may nominate an eligible College Park resident, organization, or business (including oneself!) for consideration.

Here are just a few examples of potential Green Award candidates:

- ✓ A business that minimizes the use of non-recyclable materials or packaging
- ✓ A gardener who limits the use of water, chemicals, or power equipment when creating and/or maintaining his or her garden.

- ✓ A neighbor whose yard is visually pleasing *and* provides a protective habitat for wildlife
- ✓ A club or youth group that reuses recycling materials to create a crafts project.

Categories of Awards

1. Reduce, reuse, recycle, repurpose
2. Environmentally friendly landscaping and beautification
3. Conservation of natural resources
4. Other environmental achievements

The Judges

A panel selected by CBE will review and discuss the entry forms submitted then vote for the winners.

The Winners

Award recipients will be notified by CBE as soon as possible after judging.

In addition to receiving a certificate of appreciation at a College Park City Council meeting, winners receive a \$100 gift card to a local business with environmentally responsible practices, such as MOM's Organic Market. Other businesses will be chosen before the award ceremony.
